

## Fashion Show Entry Form

### ***"Fiber and Fashion: The Stories Threads Tell"***

(fillable/PDF format)

Everyone attending the 2026 MAWS Conference is invited to participate in the Fashion Show ***"Fiber and Fashion: The Stories Threads Tell"*** that will be held during the Sunday Brunch on June 21. We promise to provide an exciting, low-key presentation, and we are delighted that you are considering participating in this event.

Acceptable entries include garments and garment-related accessories (shawls, bags, hats etc). Entries must be substantially handwoven; or be hand-felted; or knit or crocheted. Each entry should be a recent creation and not shown at a previous MAWS conference. Items submitted to the Fashion Show should be modeled by the fiber artist or their designee; however, we hope to have a few local models available on an as-needed basis.

You may submit up to three items for the show. **Please fill out a separate entry form for each item submitted.** Open show entries may also be entered in the Fashion Show.

So we can better organize/prepare for the fashion show, we are requesting that entry forms (not items) be submitted by **Friday, June 12, 2026** to the email address shown at the bottom of this form.

Entry forms will also be accepted during the conference if they are submitted to the conference registration desk no later than **Friday June 19 at 4pm**. Blank entry forms will be available at the conference registration desk.

All fashion show items must be brought to the fashion show staging area between **8:00-9:00 am** on **Sunday June 21, 2026**. **Please attach a hard copy of your entry form to your item.**
